**NESHAMA CARLEBACH**, one of the leading superstars in Jewish entertainment, is continuing the legacy established by her father, Rabbi Shlomo Carlebach. His deep spirituality and his love of humanity filled every song he wrote, as he changed the face of Jewish music.

Neshama's talent and charisma captivate and endear her to people of all ages and backgrounds as she performs in cities all over the world. Together with producer/pianist **DAVID MORGAN** and her incredible band, she continues to both deeply move and entertain as she sings her father's incomparable melodies, and inspiring original compositions. An event with Neshama will uplift you and bring you the gift of songs that are danceable, singable, and unforgettable.
