

AJR, YOUR SPIRITUAL HOME

AJR integrates spirituality – the experience of connection to God as each individual understands God – into all aspects of rabbinical and cantorial education.

We welcome reverence, curiosity and openness about one's own spiritual life and the spiritual lives of others. We invite a pluralistic approach that respects many different ways of being spiritual. Some individuals feel God through Torah study, while others feel transported by song or silence. Some feel most connected to their spirituality when in community prayer, and others feel most connected on a mountaintop.

At AJR, we invite the sharing of many different kinds of spiritual approaches, and ask our community members to be open to their fellow students' and teachers' prayer practices while being true to their own practice as well.

Our students may take courses in spirituality such as Meditation, Contemporary Ritual, Tefillah and Seminar, Jewish Dreamwork, Liturgy and Mysticism.
